Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 19 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry tonight and tomorrow.

This Evening and Tonight:
Showers fade into the evening as cloud clears, giving way to a dry night for most. A risk of fog patches, particularly around coastal areas. Minimum temperature 13 deg C (55 deg F).

Friday:
A bright start to the day with sunny spells possible throughout the afternoon. The odd shower could develop later in the afternoon towards the evening. Maximum temperature 22 deg C (72 deg F).

Outlook for Saturday to Monday:
An unsettled weekend with heavy rain or showers on Saturday with brighter spells possible on Sunday. Becoming more settled into next week with sunny spells on Monday.
